Be the Lover:

Love yourself.

Be the beloved:

let yourself be loved  
by you.

# How to LOVE

ナナフ writes:

"I have self-esteem issues.  
So maybe how to feel confident  
about yourself even when  
you're not in a relationship,  
maybe...."

Look deep into the silence

Then,  
when you do find  
love from another

it will be a bonus.

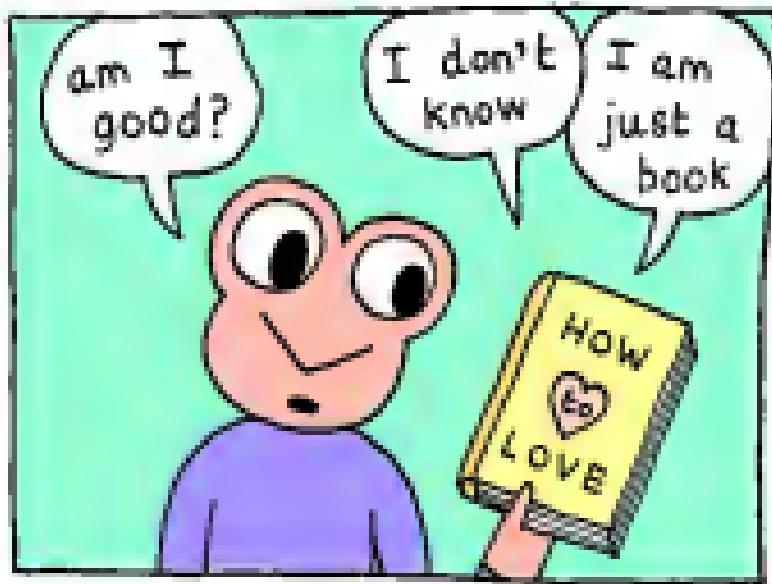

but this media  
distracts us from  
confronting ourselves.

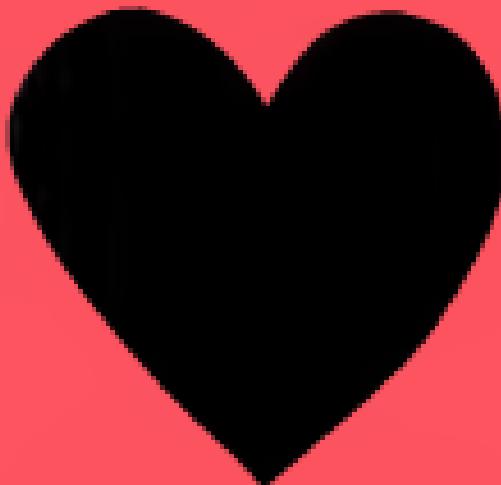

CONGRATULATIONS

YOU NOW LOVE YOU!

We might Look  
to the media  
for help

You don't need  
anyone else to feel  
good about yourself...

just your own love  
of you.

You are the star  
of this comic.

Often  
we depend on love  
for validation
